Subject: permissions to use slides for classroom use?

=20

Hello,=20

My name is Bill MacKenty, and I'm the director of technology / computer = science at the American School of Warsaw. I found your slides online = (http://codex.cs.yale.edu/avi/os-book/OS8/os8c/slide-dir/) and would = like permission to use the slides to conduct the operating systems part = of my Exploring Science course (an introductory course to computer = science for grades 9-12). Some salient points:=20

1. I will teach the material at the American School of Warsaw, a = non-profit private school affiliated with the US embassy in Warsaw = Poland
2. I am being paid as a teacher at the school, but not charging for the = material or course - I am not making any money with your work
3. I would like to host the slides on my moodle course. The course is = password protected, only available to students of the course, only for = the duration of the course=20
4. I will attribute the sources (you)

Thank you in advance for your time and consideration

Warmly,

Bill MacKenty=20
