Hello,

Thank you for contacting IBM Knowledge Center support.

As long as your reference IBM (www.ibm.com) and IBM Knowledge Center (the specific URLs being referenced https://www.ibm.com/support/knowledgecenter) as the source then there should be no problems.

Subject: permission to use material

Hello,
My name is Bill MacKenty and I work at the non-profit American School of Warsaw as a computer science teacher. I teach grades 9 through 12 computer science. I am writing to ask for permission to use your content located here:

...in my classroom wiki. This wiki is non-commercial. It is used by my students to learn about computer science. It is not password protected, nor is there any login system. There are no ads on this wiki. The wiki can be retrieved from url: computersonesciencewiki.org.

I will reference your material and a link back to your site will be visible from the same page the content is cited with a footnote and a link in the references section.

I look forward to your reply and appreciate your response.

Warmly,

Bill MacKenty
