

I found some good student reflections for ethics at this site:

http://biotechlearn.org.nz/themes/bioethics/student_activity_using_ethical_frameworks

I looked at their copyright page (http://biotechlearn.org.nz/about_this_site/copyright_and_privacy) on January 10 2016, and saw this text:

You can use University of Waikato copyright material on this website free of charge and without further permission as long as you:
